Sir:

This communication is responsive to the Advisory action mailed January 9, 2009. In the Advisory action, the Examiner stated that the affidavit (declaration) mailed with a response after final on December 15, 2008 was not entered because it was considered to be untimely. Applicants have filed the current RCE in order for the affidavit to be considered. Applicant respectfully requests the Examiner to reconsider the rejections made in the final Office Action and to allow the claims to issue.
